SUMMARY OF QUALIFICATIONS

Current trainee in the field of web development and design, excelling in my courses. I've been familiar with technology from an early age, thanks to growing up with my parents, a computer engineer and electrical engineer respectively, who inspired in me a lifelong passion for technology, computers in particular.

SKILLS

- Languages: JavaScript, HTML, CSS, Zenscript
 - Software: Google suite, Visual Studio Code, Gimp 2, Treesize, 7Zip, ArcGIS, Wordpress.
 - I have an above average amount of tech literacy, and given enough time and ability to research, can find my way around most systems and their software
-
